Food Truck Tips:

Think about it like this – if you had a storefront, how would you feel if there were piles of garbage in front of it the morning after an event left by another business? Use some common sense and be a good neighbor when you're at First Fridays so you can return.

Tip 1: BYOB - Bring Your own Bags & a container, take it with you

Tip 2: Please Allow Me to Introduce Myself – to the business owner of the store you're parked in front of & give a gift of your tasty food

Tip 3: ETA – Get there on time, so you're ready to go and can make the most of your time at First Fridays... and \$\$\$ too!

Tip 4: AKFF – We're there at First Fridays with cameras, so smile when we take a snap, you might be on our social media feeds or website for our First Fridays gallery. Look for our AKFF Logo badge
